English is a West Germanic language that was first spoken in early medieval England and eventually became a global lingua franca. It is named after the Angles, one of the Germanic tribes that migrated to the area of Great Britain that later took their name, as England.

## English language - Wikipedia

This article argues for the reorientation of eco-Buddhist discourse from a focus on establishing textual justifications of what Buddhist environmental ethics says towards a discourse in which Buddhist rhetoric and environmental practice are intimately linked through specific communal encounters.
