Microbiology and Immunology is an Open Access, online only journal.

### **Instructions for Authors of European Journal of ...**

The European Journal of Cancer (EJC) integrates preclinical, translational, and clinical research in cancer, from epidemiology, carcinogenesis and biology through to innovations in cancer treatment and patient care.

### **EUROPEAN JOURNAL OF CANCER - Elsevier**

Authors wishing to publish open access can choose to publish open access in The Journal of Pediatrics: X, the open access mirror journal of The Journal of Pediatrics. One, unified editorial team manages the peer-review for both titles using the same submission system. The difference between the journals is the access model under which the journals will publish your work and the indexation status.

### **Guide for authors - The Journal of Pediatrics - ISSN 0022-3476**

PDF proofs will be sent to the corresponding author. Changes of content or stylistic changes may only be made in exceptional cases in the proofs.
